

LES NUMEROS DE TELEPHONE - TELEPHONE NUMBERS

Bonjour tout le monde! C'est moi Rolo!

All French telephone numbers now have ten digits, starting with either 01, 02, 03, 04 or 05 depending on which part of France you are ringing. The ten digit numbers are paired, so that the number 05 42 25 36 24 would be written and said like this: le zéro-cinq, quarante-deux, vingt-cinq, trente-six, vingt-quatre.

Your turn now! Write out in French words these French telephone numbers:

1. 01 36 41 37 27

2. 03 17 31 40 19

3. 02 26 28 41 31

4. 05 35 39 26 23

5. 04 11 22 33 40

6. 01 14 41 21 18

Now link these figures with the right words by drawing a line between them.
